NoiseQuest Website Policy statements and disclaimers:

This Penn State University computer system is subject to monitoring at all times. Unauthorized access is prohibited by Public Law 99-474 (The Computer Fraud and Abuse Act of 1986.)

The Pennsylvania State University, Purdue University, and the members of the website development team, strongly support academic freedom and a researchers right to publish; therefore, the Universities and the member companies as institutions do not endorse the viewpoint of each publication on this web site or guarantee its technical correctness. This material is based upon work supported by the Federal Aviation Administration under Grant Number 03-C-NE-PSU, 03-C-NE-PU, 03 07-C-NE-PSU, and 07-C-NE-PU. Any opinions, findings, conclusions, or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the Federal Aviation Administration, NASA, or Transport Canada, or the United States Government.

Privacy Statement

Except to ask for the writer's name on incoming e-mail in order that we may respond to an individual, and to maintain required correspondence files, no other attempts are made to identify individual users or their usage habits. Raw data logs are used to simply determine how many users are accessing the site, which pages are the most popular, and, from time to time, from which top-level domain users are coming.

Disclaimer of Liability

With respect to documents available through this web site and on this server, neither the United States Government, the Federal Aviation Administration, NASA, Transport Canada, The Pennsylvania State University, Purdue University, nor the members of the development team, nor any of their employees, directors or officers makes any warranty, express or implied, including the warranties of merchantability and fitness for a particular purpose, or assumes any legal liability or responsibility whatsoever for the accuracy, completeness or usefulness of any information, apparatus, product or process described or disclosed herein, or represents that its use would not infringe privately owned rights.

Disclaimer of Endorsement

Reference herein to any specific commercial products, processes, or service by trade named trademark manufacturer or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by either the United States Government, the Federal Aviation Administration, NASA, Transport Canada, The Pennsylvania State University, Purdue University, nor the members of the development team. The views and opinions of authors expressed herein shall not be used for advertising or product endorsement purposes.

Transmission of Information Disclaimer

The University makes no representations or warranties regarding content, layout, HTML and associated scripting language (such as JAVA), course offerings, and/or transmission of private information over the Internet. The University will not be held liable for any losses due to transmission of information, e.g., name, address, e-mail, etc.

No Transfer of Rights

No part of this web site shall be construed as conferring any license or right under any patent, trademark or other intellectual property rights held by the University or any affiliated party whatsoever, by implication, estoppel or otherwise.

Linked Web site Disclaimer

The United States Government, the Federal Aviation Administration, NASA, Transport Canada, The
Pennsylvania State University, Purdue University and the development team members takes no responsibility for the content of web sites accessed through this server, or any web site found through any other linked web site. The University makes no representation that it has reviewed any portion thereof for its content and is provided solely for purposes of the convenience of users of this web site.
